

Case Manager (Pathways)

Are you passionate about changing the lives of children and families?

Come join a team that impacts families by offering a service rich environment of advocacy and love.

Our Prevention Program serves families at risk of out of home placement. Our goal is to preserve the family unit by providing supportive casework counseling in the home. We provide case management services; conduct clinical assessments; identify service needs; develop treatment service plans with the family. We provide referrals to community services; communicate with collaterals to monitor and track progress. We empower parents with tools and resources to ensure their children's safety, well-being, and permanency. We provide advocacy to ensure quality services; and document our efforts in a web-based case management program.

Required Knowledge, Abilities and Skills:

- Minimum of a Bachelor's degree in Social Work, Human Services or related field
- Minimum 3 years of experience working with at risk children and families; providing case management services in the home.
